Swing

It's the best place the best time but
will you make the mo - ve? It's got to be the best time the best place we're
ev-er going to get to There is good luck and bad luck and
chan-ces you must take. Be sure that if you don't risk it
some - times you bet your life for low stakes You've been
search - ing for this a long time, seen it co-ming,
don't stop! Hold - ing back we'll just drift a-part just don't start! It's a
sharp shock a space dock a cris-is we can use 'cos you must ne-ver
look down or back down just catch that wave and ride it.
